Junior Seminar Name: _____

Choose one topic from your “What is school for/Things I want to know more about” list and research it.

1. Write a **summary** of what you learned that includes **5 facts** about this topic. Make sure your summary is interesting and well-written.

2. Why did you want to know more about this specific thing? Explain why this topic interested you and what you hoped to learn.

3. What process (steps and thinking) did you go through to learn more about this topic? Be specific. Why did you take those steps?
